EDUCATION

Web Application Development with PHP and Frameworks

IsDB-BISEW IT Scholarship
2022-2024

MSS in Public Administration

University of Chittagong
2021-2022

SKILLS

- Laravel:** Proficient in backend and frontend development using the Laravel framework.
- Frontend Technologies:** HTML, CSS, JavaScript, jQuery.
- Laravel Blade:** Crafting efficient and dynamic views for web applications.
- PHP:** Developing functional server-side applications.
- Version Control:** Familiar with Git for streamlined collaboration.

OBJECTIVE

As an aspiring and motivated full-stack Laravel developer, I am eager to secure an entry-level position that allows me to apply my theoretical knowledge and practical skills in a dynamic work environment. With a foundation in web application development and a proficiency in the Laravel framework, I am ready to contribute to innovative projects and continue my growth in the field.
